COMMENTS:

This bill would allow a 100% credit for wages paid to a qualified employee who is on active duty as a result of Operation Enduring Freedom or any successor military action.

The April 17, 2002, amendments made various technical changes to this credit. The amendments also deleted the Government Code and Military and Veterans Code provisions regarding employees ordered to active duty as a result of Operation Enduring Freedom.

These changes do not affect the department. The previous analysis of the bill as introduced February 21, 2002, still applies.
